

Post Tour BTL Algarve Hosted Buyers 2019

Friday 15th of March 2019

Accommodation: tbc

Transfer to the Algarve

Lunch

Jeep tour through the typical inland of the Algarve

We will follow dirt tracks to places where you can see old traditions and customs still in practice and small villages.

Breathe the pure air with the scents of local herbs and plants and admire the spectacular views. Smell the scent of the eucalyptus trees and learn the secrets of harvesting the ubiquitous cork trees.

We will visit a small local distillery where the brave can sample “medronho” - a very potent local drink and where you can see honey being made in the age old way.

10:00 – 15:00 Food Tour through Faro

Razor shell cakes, fried baby cuttlefish, and Algarve wines are just a few of the tastings this Food Tour offers you.

To make your experience even more rich and memorable, we will show you several monuments as we stroll along the streets of Faro. In addition to other places, you will visit the mysterious Capela do Ossos (the Bones Chapel) with more than 1,000 skeletons, enjoy the magnificent city views from the Sé (Cathedral) and stroll around the Jardim Manuel Bivar garden where some of the most popular events in Faro take place.

After the tour you have some free time in the center of Faro
